

## Affidavit & Delivery Conditions

### WAIVER AND DELIVERY CONDITIONS

Thank you for doing business with Dalcuore Floors. To ensure an excellent delivery service, please read and acknowledge the conditions below:

- Dalcuore Floors is restricted to curbside delivery only, and the material will NOT be placed inside the property under no circumstances (house, garage, elevator, etc.).
- We require at least one person over the age of 18 to be present at the time of delivery to inspect, assist and sign for the material(s) in the unloading process. Please plan accordingly. Note that we do NOT provide a forklift in our trucks.
- I have advised Dalcuore Floors of any gated or secured property at the residence, as well as receiving hours. I'm also aware that all trucks are 52 feet long. If a smaller truck is needed, Dalcuore Floors will advise on a delivery date.
- Claims for shortages, damages or discrepancies must be made upon receipt of product in writing. No claims are allowed after the order has been delivered and signed for.
- Dalcuore Floors cannot guarantee specific timetables and recommends that the buyer not schedule installation until product is received.
- Failing to comply with any of the above requirements or if the order needs to be rescheduled, a second delivery fee will be added to the order. The fee will also remain if the delivery order is cancelled the same day of delivery.
